

# CGCS SUMMER INTERNSHIP

## DETAILS

Students in 2nd and 3rd year undergraduate students are invited to apply to the summer internship through the Centre for Global Change Science. We encourage students from fields such as forestry, geography, ecology and others to apply to work under the supervision of CGCS faculty who can be found under the "People" Section of the CGCS website. The internship will take place from Monday May 8, 2023 to Friday August 25th, 2023. Successful applicants will be provided a stipend of \$531.75 per week (2/3 provided by CGCS, 1/3 from supervisor).

### How to apply:

- One page personal statement which identifies potential supervisors
- Unofficial Transcript or Academic History
- Apply by Friday March 3, 2023
